Android Developer at Igreenik

---

## Summary

I'm pursuing B.Tech. degree from "Bharati Vidyapeeth's College of Engineering" New Delhi, with a specialization in Computer Science and Engineering. So far I've an average CGPA 7.7/10 aggregate. Looking for a great opportunity in IT firm where I can contribute towards upcoming technology innovations.

I've developed the entire front-end plus back-end for "Arsh Public School" from scratch, alone. Currently contributing to Android development for "Igreenik private limited" team.
